At the point that you provide your personal information for membership purposes, we will also request that you provide consent for us to store and use your data. Your consent is required in order to ensure our compliance with data protection legislation. Where you provide us with emergency contact details you are obliged to gain consent from the identified individual(s).

We need to keep your information so that we can provide our services to you. In most instances information about your membership will not be stored for longer than 6 years, as required by law, after you cease to be a member. The information will be removed immediately from the Groups system.

HOW YOUR INFORMATION CAN BE UPDATED OR CORRECTED

Otherwise we will usually respond within 14 days of the request being made.

HOW DO WE STORE YOUR PERSONAL INFORMATION?

We have in place a range of security safeguards to protect your personal information against loss or theft, as well as unauthorised access, disclosure, copying, use, or modification. Security measures include technological measures such as Secure Socket Layer (SSL) encryption, which creates a secure connection with your browser when you register and login into our online services.

Your membership information is currently held on the u3a administration system known as 'Beacon' and accessed by committee members and group convenors – as appropriate.
